For 150 years, GPhA has been the unified voice of pharmacy in Georgia. We represent every patient, pharmacist, technician, and pharmacy student in the entire state, advocating for their future and ensuring a positive healthcare experience for all Georgians, with fair pricing for patients, and fair reimbursements for pharmacies.

Enhance your practice. Membership in GPhA includes a FREE CEimpact Pharmacist or Technician by Design plan with access to more than 100 hours of CE each month.

Advocate for your profession. Members are encouraged to learn how to advocate for pharmacy in Georgia by meeting with legislators and educating them on the issues that face all pharmacists in the state.

Build the career you want. GPhA members enjoy networking opportunities with other pharmacists and technicians through regional meetings and gatherings, where ideas are exchanged and communities are built.

Enjoy discounts. Only members can access discounted pricing on the annual Georgia Pharmacy Convention each summer, where we bring together hundreds of pharmacists and technicians for four days of live CE sessions, networking, product demonstrations, updates from the Board of Pharmacy and GDNA, and an exhibit hall full of potential partners.
